

Notice from Walsham le Willows Parish Council

CORONAVIRUS

Register for Vulnerable People & Volunteers

The Parish Council will keep a confidential register of volunteers who will make themselves available to assist where required and a register of vulnerable people who may need (or request) assistance. Obviously, information from this register will need to be shared appropriately but with regard to General Data Protection Regulations.

Priority will be given to those older people who are living alone without nearby family support. The aim is simply to ensure that no-one in the village is left alone without support as evolving government advice (or orders) are put into practice.

Please contact the Clerk preferably by email (see below) to advise any of the following:

- **If you need support**
- **If you know someone who needs support**
- **If you are willing to volunteer to support someone**
- **If you are already supporting someone**

This information will assist the Parish Council with co-ordination of responses.
